

Advanced Combat Helmet LEV. IIIA mk1

Size: S, M, L, XL, XXL

Colour: Blk, Coy, Og, Camo on request

Protection level: IIIA NIJ

Designed as a lighter and more compact version of the PASGT Helmet; with reduced ear & back coverage and no lip, this allows for better peripheral vision and hearing, and also enables the wearer to shoot from the prone position. Features: High ballistic performance with low weight, using high-tenacity ballistic aramid fiber. (DuPont, Kevlar)

Suspension Systems:

- All have an adjustable 4 point chin strap harness, with an integrated nape pad. Also available with High Tech EVA PADS.
- Crown Mesh: Crown Mesh with cross straps; with plastic or dual band chin cups.

Sizes: All Sizes are available

COD. H9000
